

1000B STRETCH WRAPPER

**MORE PRODUCTIVE.
MORE SAFE.
MORE PROFITABLE.**

SEMI-AUTO STRETCH WRAPPER. ONLY \$340/mo!

We are excited to offer the new 1000B semi-automatic stretch wrap machine to better protect your product at a price you won't find anywhere else! For just \$340 per month, you can finally eliminate the risk of manual pallet wrapping related workplace injuries and produce a safer pallet - all while increasing the yield of your stretch film by 250%.

Why use a stretch wrap machine?

- | | |
|----------------------|---|
| PRODUCTIVITY | A machine can wrap loads tighter than manual application. Attach the film to the pallet and walk away to go do more valuable tasks. |
| PROFITABILITY | The powered pre-stretch turns 6000 feet into 15,000 for maximum film efficiency. |
| SAFETY | Eliminate risk and avoid worker's comp claims from common injuries with manual hand wrapping. |
